

All of your payroll information on a single CD!

“Direct Storeroom” is a convenient way to archive all of your pay stubs, payroll reports, and tax forms for the entire year on a secure, encrypted CD. Your payroll data is archived with every payroll that is processed, and you receive a secure, encrypted CD at the end of each year.

Benefits:

- Easy Access to Prior Payroll Information
- Tax Audits Made Easy
- Take Your Payroll Information Anywhere
- Reduce the Need for Filing Cabinets and Closets
- Get Rid of Paper Copies of Prior Payroll Reports

Each CD comes with software that allows you to sort and filter for specific items, whether they be Pay Stubs, Tax Forms, or W-2's. Once you've found the item that you're looking for, you can simply print the selected item to your local or networked printer.

CD's are password protected, and the data contained on the CD is encrypted, so you don't have to worry about anyone else gaining access to your payroll data.
